LAST MEETING

Philadelphia 0 at New England 0

Sept. 1, 2012 – Gillette Stadium (Foxborough, Mass.)

Goalkeeper Matt Reis made seven saves to record his fifth shutout of the season and help the New England Revolution secure a 0-0 draw with the Philadelphia Union at Gillette Stadium. Reis made a pair of key stops on Antoine Hoppenot either side of halftime and denied Brian Carroll's point-blank effort in the 51st minute as the Revs – featuring a new-look backline including Darrius Barnes and Flo Lechner – kept a clean sheet after conceding a combined seven goals in their past two matches. Union goalkeeper Zac MacMath was forced into just three saves – all in the second half – as the Revssaw their winless run reach 10 games (0-7-3) to establish a new club record.

Soares and Chris Tierney … there is no cover charge for the event, and fans are encouraged to come out and shop to support Making Strides Against Breast Cancer.

BUDDING RIVALS SCORE BACK-BREAKING GOALS

Although the two teams played to a 0-0 draw when they last met on Sept. 1, the Revs and Union have already established a history of late-game magic … four of their six meetings have been decided by come-from behind goals in the 70th minute or later … the first meeting on July 31, 2010, at PPL Park, the Revs used Marko Perovic's 71st minute goal to equalize and secure a 1-1 draw … Union goals in the 82nd and 92nd minutes leveled and then sealed a win, respectively, on August 28, 2010, at Gillette Stadium … Philadelphia stormed back with 80th and 91st minute goals to force a 4-4 draw on Sept. 7, 2011 at PPL Park … in the team's last meeting at PPL Park on July 29, 2012, Jack McInerney's 90th-minute goal claimed the 2-1 victory for the Union .

SECOND CHANCE FOR A WIN IN CHESTER

The Revs make their second trip of the season – and fourth overall visit -- to PPL Park this weekend, looking for their first win in Chester, Pa. … the Revs are 0-1-2 all-time at PPL Park against the Union and suffered their first road loss at Philadelphia in the 2-1 defeat on July 29, 2012 … previously, the clubs played to a pair of draws in the first two meetings in Chester … in three meetings at PPL Park, the Revs have had scoring success, however, averaging two goals per game.

OPPORTUNITY TO END ROAD WOES

After dropping their fifth consecutive road game in the 2-0 loss to Houston on Saturday, this weekend's match in Philadelphia presents another chance to shake the season's road rut … the Revs are 1-12-1 on the road this season and play two of their final three games away from Foxborough … the team's 12 road defeats match a club record set in 1997 when the team went 4-12 on the road in the 32-game season …since the elimination of overtime in 2004, the Revs have suffered double-digit road defeats one other time: in 2010 (2-11-2).

TOUGH LOSSES ADD UP

The Revs' 16 losses so far in 2012 has tied the club's loss record in MLS' recent scoring era (2004-present) ... the team also had 16 losses in each of the last two seasons - 2010 and 2011 ... the team's 2010 total - the first year it hit 16 losses - was the highest loss total since the league did away with the penalty shootout (1996-1999) and overtime (2000-2003) ... prior to the 2004 season, the Revs lost 14 or more games in six of the team's first seven seasons (1996: 17, 1997: 17, 1998: 21, 1999: 20, 2001: 14, 2002: 14) ... in 1998, the club lost a club-record 21 games in its 11-21 season, a total that included a 2-4 mark in shootouts.

RARE MULTIPLE-GOAL LOSS

Saturday's 2-0 loss at Houston was a rare occurrence for the Revs this season: the defeat was just the second loss by multiple goals this year ... Saturday's two-goal loss was the team's first multiple-goal loss since a 3-0 loss at Kansas City on March 17, when the Revs played with 10 men for 76 minutes … the Revs are tied with Kansas City (2) for the fewest multiple-goal losses this season, behind only San Jose (1) ... 14 of the team's 16 losses have been by a single goal.

REVS REMAIN AMONG ELITE IN SHOTS…

Despite being held scoreless after recording 14 shots on Saturday at Houston, the Revs are ranked in MLS' top four in both shots and shots on goal … the team's 427 total shots rank fourth in the league, while the Revs' 170 shots on goal are second to San Jose (176) … the Revs have recorded 10 or more shots in six of their last seven matches, including four straight games following the 20-shot performance against Columbus on Sept. 5 … included in that run was a club-record 28 shots at D.C. on Sept. 15.

… BUT ATTACKING SHUTOUTS MATCH CLUB RECORD

Following a 2-0 defeat at Houston on Saturday, the Revs have now been shut out 11 times this season, matching a club record set in 2010 … the Revs are tied with Portland (11) for second in MLS in attacking shutouts, as only Chivas USA (15) has been held scoreless more times this season.

ALL OR NOTHING FOR THE REVS

The Revs' scoring this season has been feast or famine: the team has either been shut out or scored multiple goals in 23 of its 31 matches this year ... the Revs' have only scored one goal in a game just eight times, including two of the last three games ... the Revs are tied for 11th in MLS in multiple-goal games with 12, as San Jose leads with 19 ... the club is also tied for eighth in MLS in three-plus goal games with four as San Jose and LA lead the league with 10.

GAMES FOR THE TAKING IN FINAL 15...

The Revs have had the opportunity to claim additional points this season entering the final 15 minutes of games, and have had mixed results ... almost 30 percent (9-of-31 games, 29 percent) of the Revs' games this season have been tied at the 75th-minute mark ... while the Revs have gone on to pick up points in five of those games, the team remains winless (0-4-5) when the games are level with 15 minutes to play ... last season, the Revs went 1-2-6 in nine games in which the game was tied at the 75th-minute mark.

...BUT COSTLY GOALS AGAINST AFTER 75TH MINUTE

After conceding the game-winning goal in the 77th minute on Saturday at Houston, the Revs have now allowed six game-winning or game-tying goals in the 75th-minute or later this year ... in that window of play, the Revs have allowed five game-winning goals and one game-tying goal, costing the Revs at least 11 points in that window.

GUY'S GUAM EXPERIENCE

Ryan Guy returned to the Revs on Monday following his first international duty with Guam last week in the Paulino Alcantara Peace Cup in the Philippines ... in three appearances -- including two starts -- Guy played 70 minutes against the Philippines, 50 minutes against Chinese Taipei and 15 minutes against Macau ... said Guy, "It was a special experience. I meshed with the guys on my team very quickly. For a second I felt like, 'Oh my gosh, these are my people,' which was really cool."

BENNY BACK IN THE LINEUP

Benny Feilhaber returned to the starting lineup on Saturday at Houston, marking his first start since Sept. 1 against Philadelphia … this season, Feilhaber has made 27 appearances – including 21 starts – and has recorded one goal and two assists … in 2012, the 27-year old has made three starts at left midfield, 14 at central midfield and four at right midfield.

HIGH-FIVE FOR BOB

Bobby Shuttleworth made five saves in the 2-0 loss to Houston on Saturday, and was one save shy of matching his single-game high … including his career-best six saves against Houston on October 10, 2010, Shuttleworth has now recorded at least five saves in a game five times in 17 career appearances … this season, Shuttleworth is 1-2-1 in four starts and has a 1.00 goals against average.

BOBBY'S ALL BUSINESS AMONG BACK-UPS

Bobby Shuttleworth continues to remain one of the top back-up goalkeepers in MLS ... Shuttleworth made his fourth start of the season last Saturday and recorded five saves in the 2-0 loss at Houston ... Shuttleworth's 1.00 goals against average leads the group of eight back-up goalkeepers in MLS with four or more starts this year ... the 25-year old has made at least four starts in each season since 2010, making five starts in 2010 and seven starts last season.

BOBBIN' FOR PLAYING TIME

Jay Heaps gave Bobby Shuttleworth his second-consecutive start on Saturday in Houston ... after the Sept. 22 match against New York in which Shuttleworth returned to the lineup, Heaps admitted "we're getting a chance to see him over one, two, three – I don't have a number of games, but I wanted to let him know he has a couple of chances to really show where his trajectory is going to be." ... Shuttleworth then spoke about the importance of getting a chance to shine, stating, "it seems like the past couple of seasons I seem to get a run of games here at the end ... all the games they want to give me here, it's nice obviously. It's nice to get a nice run of games where I can kind of get some momentum going and get comfortable and try and be consistent in there."

SHUTTLE-WORTH YOUR TIME

Bobby Shuttleworth added another 90 minutes to his resume on Saturday against Houston ... in his fourth season with the Revs, Shuttleworth's 1,491 minutes rank eighth on the club's goalkeeping minutes list, ahead of Jim St. Andre (1,346) ... additionally, Saturday's game was Shuttleworth's 17th career appearance, as he sits in eighth on the club's all-time goalkeeper appearances list ... Shuttleworth is three appearances and 24 minutes shy of passing Aidan Heaney (19 appearances, 1,534 minutes) for seventh place on those respective club charts.

DIMITRY STEPS FORWARD

Dimitry Imbongo made his third career start on Saturday in the match against Houston and stepped up his shot production … although the Revs were held scoreless, Imbongo's five shots – a career high – led all players in the match … in five appearances this season, Imbongo has taken 13 shots – including three on goal – and scored his first career goal against Columbus on Sept. 5.

ARMBAND ALLOCATION

In the last two matches, Clyde Simms has worn the captain's armband to start the game … in both games, Simms was replaced in the second half and the armband moved to a defender … Darrius Barnes was the captain in the second half of Saturday's game at Houston, while A.J. Soares donned the armband in the final 32 minutes of the 1-1 draw against New York on Sept. 22 … while Barnes previously served as the captain of the reserve team in the eight games in which he appeared, it was the first time Barnes or Soares has donned the armband with the first team.

THREE STRAIGHT GAMES OF DIFFERENT CENTERBACK PAIRINGS

The combination of A.J. Soares, Darrius Barnes and Stephen McCarthy have each played centerback in the team's last three games, leading to three different pairing combinations ... Barnes and McCarthy started their fourth game together on Sept. 15 at D.C. ... on Sept. 22 against New york, Barnes and Soares were paired together for just the second time this season, although McCarthy entered the game as a substitute and slid in next to Soares as Barnes moved to right back to replace the injured Flo Lechner ... last Saturday in Houston, Barnes played at right back while Soares and McCarthy made their 22nd starting appearance together in the middle of the Revs' defense.

BACKLINE SHIFTERS

So far this season, a total of seven players have started on the backline and 10 players have spent time in the back in total during regular-season action: Kevin Alston* (RB, LB), Darrius Barnes* (CB, LB, RB), Ryan Guy (RB), A.J. Soares* (CB, LB), Stephen McCarthy* (CB), Chris Tierney* (LB), Tyler Polak (LB), Flo Lechner* (RB), John Lozano* (CB) and Shalrie Joseph* (CB) ... five different players have seen time at left back, five different players have played at center back, while four players have played right back as the team has run out a four-man backline in each of the team's 31 games. *(* indicates starters)*

ROWE STEPS UP

Although the Revs were shut out on Saturday in Houston, Kelyn Rowe has factored in the last two Revolution goals, dating back to Sept. 15 ... following his third goal of the season in the 2-1 loss at D.C. on Sept. 15, Rowe returned with an assist on Barnes' game-tying goal on Sept. 22 against New York … in 27 appearances – including 19 starts – in his rookie campaign, Rowe has three goals and four assists and shares the team lead in assists with Chris Tierney … the Revs selected Rowe with the third overall pick in the 2012 MLS SuperDraft after he played two seasons at UCLA and was a member of the U.S. Under-20 Team.

THE ROOKIE KNOWS HOW TO HELP OUT

With his fourth assist of the season on Sept. 22 against New York, Kelyn Rowe became the first Revolution rookie since Kheli Dube in 2008 to record four or more assists in a season ... Rowe's four assists are tied with Chris Tierney for the club lead this year … should Rowe finish the season with the club lead in assists, he would become the first rookie since Pat Noonan in 2003 to do so … that year, Noonan shared a four-way tie for the team lead after recording seven assists.

KELYN FOURTH AMONG ELITE ROOKIES

With three games remaining, Kelyn Rowe sits in fourth place among rookie scoring in 2012 ... Rowe has posted three goals on top of his four assists and the Revolution rookie's 10 points sit five points behind league-leaders Vancouver's Darren Mattocks (7 goals, 1 assist) and Toronto's Luis Silva (5 goals, 5 assists), while D.C. United's Nick DeLeon is third with 14 points (5 goals, 4 assists).

GOAL DELIVERY IN 30 MINUTES OR LESS

The Revs were unable to find an early goal against Houston, but still share the league-lead for goal-scoring within the first 30 minutes ... Kelyn Rowe's 29th-minute goal at D.C. on Sept. 15 was the team's 19th goal in the first 30 minutes of action this season, tied with New York for the most in MLS … with Rowe's goal in that window, the Revs have now scored more than half of their goals (19-of-37 total goals) this season within the first half-hour of play.

CALLING ALL GOAL-SCORERS

Saer Sene (11 goals) and Lee Nguyen (5) accounted for more than 40 percent (16-of-37 goals, 43 percent) of Revolution's scoring this year ... with both of the players rule out for the rst of the year following surgeries -- an ACL surgery for Sene and shoulder surgery for Nguyen -- other Revs will be called upon to account for the absence of the two newcomers in the scoring column ... Kelyn Rowe is third on the team with three goals ... after Rowe, there is a four-way tie for fourth as Jerry Bengtson, Blake Brettschneider, Fernando Cardenas and Chris Tierney each have two goals apiece this year.

OTHER REIS RECORD IN REACH

In his next appearance, Matt Reis will move up the MLS career goalkeeping charts, passing Zach Thornton in another goalkeeping category ... with 276 career starts, Reis also one game shy of passing Thornton (276) for sole possesion of fourth place on the career starts list.

REIS APPROACHING ANOTHER 100-SAVE SEASON

Matt Reis enters Saturday's match with 92 saves this season -- eight shy of his seventh 100-save season in his career ... should Reis reach the century mark in saves this year, he would be one of three goalkeepers to record 100 or more saves in seven seasons, joining Kevin Hartman and Joe Cannon (7) ... Reis recorded his first 100-save season in 2005, and then followed up again with 100-save seasons in 2006, 2007, 2008, 2009 and 2011.

SAER WITH SUCCESSFUL ACL SURGERY AFTER MAKING A NAME FOR HIMSELF...

Saer Sene underwent a successful surgery on Monday, Sept. 17, to repair a torn anterior cruciate ligament in his left knee ... Sene is expected to return to full action in 6-8 months ... with 11 goals this season -- including two in his final game before injury on Aug. 29 against Chivas USA -- Saer Sene is currently the team's leading scorer … Sene became the first player since Taylor Twellman in 2007 to record more than 10 goals in a season ... the season-high goal scorers since 2007 season are below:

Year	Name	Goals Scored
2007	Taylor Twellman	16
2008	Steve Ralston, Taylor Twellman	8
2009	Kheli Dube, Shalrie Joseph	8
2010	Marko Perovic	6
